Daily Mail Service For Snowville.

Move Well Under Way

If the Postoffice Department Grants the Request Asked for, Snowville will Soon be Enjoying a Mail Service Long Needed.

By J. C. Cutler of Snowville, was in this city the fore part of the week and in conversation with him we were informed that a petition had been sent to the Postoffice Department requesting a daily mail service from this city to Snowville. Mr. Cutler was sorry he did not give our citizens an opportunity to sign the petition as he learned later that it meets the approval of our entire community. All the residents between here and Snowville will be greatly benefited by this move and Garland will then become headquarters for the western portion of the county. We sincerely hope the Postoffice Department will grant the request.

The mail for Snowville at present goes by way of Kelson and the service is for from being satisfactory. He also stated that Snowville would soon be using piped water, as a reservoir has been made at Prescott springs and the water will be piped to the city within the next thirty days. The pipe for the water system is at Snowville awaiting the completion of the trench.

Riverside.

From a spectators point of view last Saturday's ball game with the Indians was decidedly uninteresting. Whenever our boys came to the bat they knocked the ball to the woods and made home runs. It may be that the Lamanites can play better ball than they did on that occasion. The dusky boys came to the bat first and fanned, then when our boys came up and made eight runs, it seemed to discourage them. From the fans could be heard "Give the Indians a run" and "Favor the Indians, Mr. Umpire".

Miss Alice Cordon has returned to her home in Willard. She has been in Riverside the past ten days the guest of Miss Sarah Ward.

Miss Lavina Parke is visiting friends and relatives in Davis County.

Mr. J. M. Matsen has returned to her home in Salt Lake City and her little sister Cecil Kennard has gone to be her guest indefinitely.

J. H. Welling's residence has received a new coat of paint.

Some of our boys are going to Tremont to work on the Thatcher spur of the Malad Valley RR. C. H. Hales is foreman

CO. TREE INSPECTOR HERE.

W. O. Knudson, County tree inspector, passed through this city Thursday on his tour of the county looking over the work being done by the fruit growers of the various districts.

He expressed himself as being pleased with the efforts our residents are making to follow out his instructions. The prospect for a large and healthy crop of apples is good. Many of our fruit growers are beginning to realize the great benefits derived from strict compliance with the spraying laws.

The regular monthly meeting of the Officers of the Y. L. M. F. A. was held in this city yesterday afternoon, members of the Stake Board being in attendance.

C. F. Brown, drainage engineer, informed us a few days ago that the Office of Experiment Stations, the U. S. Dept. of Agriculture, and the Utah Experiment Station are co-operating with Louis Gets of Point Lookout in the establishment of an experimental drainage farm in that vicinity. The experiments being made on the farm north of this city are beginning to interest the farmers of the whole valley and the work is progressing favorably. Much valuable information is sure to be the outcome of these experimental districts and the farmers should embrace the opportunity to visit them and see what is being done for the Great Bear River Valley in the reclamation of the soil.

NOTICE TO FRUIT GROWERS.

If you want a good crop of cherries next season, do not fail to spray your cherry and pear trees within the next 15 days, as the last crop of slugs for this season are now laying their eggs on the leaves and will soon hatch out and eat the leaves. Many of the cherry trees in the county have been destroyed by these slugs. The law compels everybody to spray their trees and the County Commissioners have notified me to enforce the law.

W. O. KNUDSON,
Co. Tree Inspector.

Miss Fannie Harris and Miss Vantie King returned to their home in Layton Tuesday morning after an extended visit in this city the guests of Mrs. M. G. Hansen.

W. R. Vanfleet returned a few days ago from a business trip to Idaho, while there an excursion party was going to Elk Valley for a two days' outing and he joined the crowd. The party was made up of the following: Mr. and Mrs. J. A. Rostan, Mr. and Mrs. Ed French, Mr. and Mrs. John Michan, Mrs. Reese and W. R. Vanfleet. All passed off as pleasant as a Morning's Zephyr until the return trip was nearing its end, when, lo, the atmosphere suddenly became dense with blasts of heated "arguments" and the efforts of a whole fire department loaded with ice water would have had no effect on the "blazing situation."

Go to Saltair Aug. 9th with the Box Elder Stake Sunday Schools. 3t

Mrs. J. J. Sellers will entertain the Ladies Self-Culture Club at her home next Wednesday afternoon, Aug. 8th.

The following were visitors of Mrs. M. G. Hansen from Portage the fore part of the week: Mrs. Myron Gibbs, the Misses Gaere and Effie Gibbs.

Among the jurors drawn to serve for the September term of the District court we notice the names of W. D. Lewis, of this city, John L. Hunsacker, of Pt. Lookout, and A. N. Grover, of Fielding.

H. S. Rice, one of the seven presidents of the Fifth Quorum of Seventy, received a letter of inquiry from the notorious "Box B" a few days ago. He was requested to give a report of his spiritual and financial condition which he did, and a reply came back the next day telling him to look out for a call about January 1st, 1907.

Yesterday morning Supt. T. H. Edwards of The Utah Sugar Co., had a severe gash cut just above the eye by a block of wood that was thrown from a circle saw striking him. Dr. Francke was summoned and dressed the wound. The accident was very painful, but no serious results followed. The block was thrown a considerable distance before striking him.

NOTICE.

All those who received invitations to attend the Lawn Party to be given under the auspices of the Ladies' Self-Culture Club, which was postponed owing to the death of W. A. Ray, will please take notice that the date set for the event is Tuesday, Aug. 7 h, 1906. All who received invitations are cordially invited to be present.

Committee.

Two Deaths.

Leslie, the little two year old child of Mr. and Mrs. Henry Newman, living near Point Lookout, was drowned in the canal last Monday. The funeral services were held Wednesday at 11:30 o'clock and the little one was laid to rest. Mr. and Mrs. Newman and family have the heartfelt sympathy of the entire community. —Tremont Times.

Tennysen, the 7-year old son of Mrs. Minnie J. Lund of Brigham, died Wednesday morning, at 8 o'clock, from appendicitis. Little Tennysen was a brother of Miss Morilla Lund, who has been our lady type for the past month. The funeral services were held at the Fourth ward meeting house Friday at 2 p. m. We extend our sympathies to the Mother and family in their bereavement.

Last Saturday's National Game.

Guilt Edge Ball Tossing.

Fielding Again Made to "Bite the Dust" at the Hands of the Famous Champions of Box Elder County. Shut-out game with Keller in the Box for the Fielding Flints.

Not being satisfied with their defeat by the famous Garland Nine on July 24th, Fielding again crossed bats with Champions of Box Elder county on the local diamond Saturday last, and were again defeated to the tune of 4 to 000000000. We feel that we are perfectly safe in pronouncing the game one of the best exhibitions of National Ball Tossing seen on the local diamond this season. Both teams played "guilt edge" base ball from start to finish. Barring the first run made by Garland in the first inning, secured by a wild throw on the part of Welling, (Sub), the home team had to word like trojans to secure their other three runs. Keller, for Fielding, pitched an excellent game of ball allowing but five small hits, while Pettingill, for the locals, gave him a mighty close race allowing the opposing team only six hits. It will be seen from the above that the Garland Nine considerably outfielded the visitors but went to pieces at the bat as their batting averages have been well up all through the season. The secret of the success made by the Garland Team, as well as the winning of the championship of the county, is doubtless due to their excellent batting ability. Keller is certainly a whirl-wind in the box, and the team that runs up any great number of hits from his delivery must be there with the goods every minute. The features of the game were the good, steady, heady playing of ever man in both teams, and, outside of a few slight errors, every man played his position for all there was in it. Jeff was certainly there with his twisted twirls and kept the Fielding Flints guessing. Keep it up Jeff, you are certainly a wonder. The work of Umpire Thompson was all that could be desired, his decisions being fair and honest. And, by the way, Enthusiastic —Earnest—Manager—Scorer—Eaton is always "on deck," to boost his Noted Nine.

The line-up and score by innings follows:

FIELDING		GARLAND
Stayner	c	Featherstone
Keller	p	Pettingill
Welling, J	1b	Wallis
Richards	2b	Gleason
Welling, Watkins	3b	Evans, H
Turner	ss	Schaffer
Wood	rf	Welling, C.
Clark	lf	Van Leuvan
Pearl	cf	Hall

Score by innings:
1 2 3 4 5 6 7 8 9—Total
Garland..... 10 0 0 0 1 1 1 *—4
Fielding..... 0 0 0 0 0 0 0 0 0—0

Umpire, Thompson; Scorer, Eaton.

The Champions of Box Elder county go to Wellsville to day to cross bats with the Champions of Cache county. Garland goes to battle to-day, as she always has done, with strictly the "home company"—no imported men needed in her line-up. If they win, greater the glory; If defeated, well, we don't think they will be.

"Ah-ha there, so you're going to Saltair on Aug. 9th." "Yes sir." "Well I'll see you there." The regular train from Malad will run to Saltair. Everybody goes with the Sunday Schools. 2t

Garland was treated to a dog show yesterday morning—no brass band nor circus tent in sight—the parade forming in front of this office and marching to the hill west of town, led by the "Marshal" of the day. The execution of three members of the "canine tribe" by our Town Marshal concluded the show, the gate receipts being very light.

THE MOST POPULAR STORE IN BOX ELDER COUNTY

Mrs. W. P. Eaton was hostess at a delightful afternoon party last Saturday given in honor of Miss Bessie Preston of Lehi. Mrs. Eaton was assisted in the affair by Mrs. T. H. Edwards. Guessing contests were engaged in and Mrs. Jos. Wing was the lucky winner of a handsome vase in the first contest. Miss Bessie Preston was awarded a beautiful burnt leather card case as the winner of the second game. Punch was served to the guests. Pink sweet peas formed the decorations. Covers were laid for 15. The table was tastefully decorated with pink and white ribbon. In the center was a cut glass bowl filled with sweet peas and from this ribbons extended to place cards at the edge of the table. As each guest took up the place card the ribbon drew a beautiful bouquet of sweet peas from the bowl. Delicious ices, berries, cake, nuts and candies were the refreshments served, after which the guests repaired to the lawn and had their pictures taken. A very pleasant afternoon was spent. Those present were: Mrs. W. P. Eaton, The Misses Bessie Preston, Essie Evans, Hazel Evans, Gladys Southwick, Sarah Fowler, Ada Fowler, Julia Rhodes, Leah Bush, Mahala Garu, Fern Lewis, Ethel Austin, Maudie T. H. Edwards, Jos. Wing, and J. M. Frank.

Miss Thorburn Murie and Master Bernard Murie, children of Mrs. A. Murie, are reported to be quite sick with typhoid fever.

Miss Clara Smith, who has been very sick with diphtheria, is reported to be rapidly recovering and will soon be out again.

Aug. 9th is the day to visit Saltair. Go with the Sunday Schools. 3t

Stomach Troubles and Constipation. No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but, thanks to Chamberlain's Stomach and Liver Tablets, am almost cured." Why not get a package of these tablets and get well and stay well? Price 25 cents. Samples free. For sale by Riter Bros. Drug Co.
